OmniTech Retail Solutions

Shipping, Fulfillment, and Logistics Standard Operating Guide

Version 2.4 — Effective Date: March 1, 2026 — Document Reference: DOC-03-SFL

1

1. Domestic Shipping Tiers and Service Level Agreements

OmniTech operates regional fulfillment hubs to ensure rapid delivery across the continental United States and Canada. Deliveries are categorized into standard, expedited, and specialized freight service tiers.

1.1

1.1 Standard and Express Shipping Schedules

- **Standard Ground Shipping (3–5 Business Days):** Free for all retail orders with a subtotal exceeding **\$99.00 USD**. Orders below this threshold incur a standard flat rate of **\$5.99 USD**.
- **Express Next-Day Air:** Guaranteed next-business-day delivery for orders placed before the daily cut-off time of **2:00 PM EST**. Orders placed after 2:00 PM EST are processed on the subsequent business day.
- **Weekend Processing:** Orders placed on Saturday or Sunday are queued for dispatch on Monday morning, excluding national holidays.

1.2

1.2 Oversized Freight Delivery

Items exceeding standard carrier dimension limits—including televisions greater than 65 inches, enterprise server racks, and heavy uninterruptible power supply (UPS) units—are routed through scheduled freight services:

- **Mandatory Signature:** All freight shipments require an adult signature (21+) upon delivery.
- **Curbside vs. White Glove:** Standard freight covers curbside drop-off. White Glove delivery (unboxing and placement) is available for an additional **\$75.00 flat fee**.

Table 3.1: Shipping Rates and Cut-off Schedule

| Service Tier     | Delivery Time | Cost                    | Cut-off / Special Terms            |
|------------------|---------------|-------------------------|------------------------------------|
| Standard Ground  | 3–5 Days      | Free over \$99 / \$5.99 | No signature required under \$250. |
| Express Next-Day | 1 Day         | \$24.99                 | Order prior to 2:00 PM EST.        |
| Freight Delivery | 5–7 Days      | \$89.00                 | Adult signature mandatory.         |

## 2 2. Hazardous Materials and Hazardous Goods Regulations

---

### 2.1 2.1 Lithium-Ion Battery Air Transport Restrictions

In compliance with international aviation security standards (IATA and DOT regulations), power banks, spare laptop batteries, and high-capacity portable power stations are subject to strict transport rules:

- **100Wh Energy Threshold:** Power banks and standalone batteries exceeding **100 Watt-hours (Wh)** are strictly prohibited from air freight transport and must ship via **\*\*Ground Services only\*\***.
- **Equipment Containment:** Lithium batteries pre-installed within equipment (e.g., inside laptops) may ship via air, provided the package contains appropriate UN3481 hazard warning labels.

## 3 3. International Fulfillment and Customs Duties

---

### 3.1 3.1 Delivered Duty Unpaid (DDU) Policy

For all shipments destined outside the domestic service zone, orders are shipped under **\*\*Delivered Duty Unpaid (DDU)\*\*** terms:

1. **Customs and VAT Responsibilities:** Import duties, local Value Added Tax (VAT), and carrier brokerage fees are not included in the checkout invoice and must be settled directly by the recipient upon arrival.
2. **Refused Customs Deliveries:** If a shipment is refused by the customer due to unexpected customs fees, the return shipping costs and a 15% restocking fee will be deducted from any potential refund.
3. **Address Validation:** Orders with P.O. Box international destinations will be held automatically pending physical street address confirmation.
