OmniTech Retail Solutions

Customer Data Privacy and Security Information Policy

Version 4.0 — Effective Date: May 1, 2026 — Document Reference: DOC-06-DPS

1 1. Scope of Personal Identifiable Information (PII) Collection

OmniTech collects and processes personal information necessary to execute retail transactions, maintain account security, and provide customer support services.

1.1 1.1 Categories of Data Collected

- **Contact Information:** Legal name, billing address, shipping address, email, and phone number.
- **Financial Tokens:** Payment card details are tokenized instantly using ****PCI-DSS Level 1 compliant processors****; raw credit card numbers are never stored on internal servers.
- **Technical Telemetry:** IP addresses, device identifiers, browser types, and session tracking cookies collected during online navigation.

2 2. Compliance Frameworks and Data Subject Rights

2.1 2.1 Statutory GDPR and CCPA Rights

In compliance with international and regional regulations, customers maintain control over their data:

- **Right to Erasure (Right to be Forgotten):** Customers may submit a data deletion request via the privacy portal. Account details will be erased within 30 business days.
- **Tax Audit Exclusion:** Transaction records necessary for federal and state tax compliance are retained for a mandatory statutory period of ****7 years**** before permanent purging.
